DO-RAG

The RPB® Do-rag is made from breathable cotton fabric, and features a sweat band to keep sweat out of the operators eyes when wearing a respirator.

SAFETY GLASSES

The RPB® Safety Glasses advance your safety and increase your productivity as they are protective, comfortable, cost effective and reliable.

Three different styles are available, each with either clear or smoked lenses.

RPB® 18-221 SAFETY GLASSES

- 9 Base lens provides wrap around protection
- Rimless to reduce the weight and increase vision
- Anti-scratch coating
- Meets ANSI Z87.1-2010 eye protection
- Metal free

RPB® 18-241 SAFETY GLASSES

All features of the 18-221 plus:

- Soft temple grips

RPB® 18-261 SAFETY GLASSES

All features of the 18-241 plus:

- Ventilated and adjustable nose pad
- Side arm grips
- Unobtrusive side frame to maximise peripheral vision

LEATHER GLOVES

The RPB® 07-701 Leather Gloves are made from premium quality leather with Kevlar stitching for durability. They feature a double layer palm and an extra leather strip on the outside for additional protection. The lining is soft and comfortable.

HEAD SOCK

The RPB® 05-601 Head Socks provide protection from overspray and fit comfortably. Available in packs of 10. One size fits all.

S100 EAR PLUGS

The RPB® S100 Ear Plugs are manufactured from soft, quality foam. They feature the comfortable "bell" shape. NRR 32 Decibels.

Also available from the RPB® product range:

RPB® NOVA 3™

It is paramount that your blasters have the best equipment to obtain maximum productivity. How can you increase productivity and advance your safety?

The RPB® Nova 3™ is an advance on the RPB® Nova 2000™ in comfort and functionality. It can also be customized to suit individual needs, further enhancing employees' performance. It meets worldwide safety standards worldwide including NIOSH, ANSI Z87.1 -2010+, ANSIZ89.1 -2012 Type 1.

RPB® Z3™ WELDER

Safety in the welding industry is paramount, and industry standards are demanding. How can you have peace of mind that your employees have first class protection that meets safety standards?

The RPB® Z3™ Welder is the solution, as its features surpass even the most rigorous industry standards and your employees will be safe and comfortable. Combining respiratory protection with breakthrough optical technology, the RPB® Z3™ Welder creates a comfortable working environment for welding professionals.

RPB® GX4 GAS MONITOR™

As you know, dangerous levels of toxic gases can cause fatal injury or death. How can you have complete confidence that the air you and your employees breathe is safe?

Your solution is the RPB® GX4™, an intelligent gas monitor that has the ability to detect up to 4 gases, giving you peace of mind.
